I realize that admission to Palmetto Youth Academy (PYA) is on a space available basis and that if more applicants are received than spaces exist, a lottery will be held to fill available spaces. We realize that PYA will operate on a year-round schedule with 2-week intercessions after every nine-week period. I am aware that all students will be required to wear uniforms as specified by PYA's dress code policy. By signing below, we agree to each of these terms.
